Dear Parent/Carer

**Re: Year 10 Options Evening
Thursday 26 January 2012, 5.00pm - 7.00pm**

Year 10 students are at the start of the process of selecting an additional subject for Year 11. The Options Evening will provide a valuable opportunity for you and your child to find out about the various subjects and qualifications that are available to them.

As you arrive at the school, you will be able to pick up your named copy of the options booklet outlining all the choices for Year 10 students.

There will be representatives on hand from each of the options subjects, as well as from the core subjects of English, Mathematics and Science. You will be able to talk to these teachers about what the new subjects entail. This will help you and your child make an informed choice.

There will also be a talk on the overall options process at Caludon Castle School. This talk will run at 5.40pm and be repeated at 6.40pm.

The students will have a preliminary form and a final form to make their choices. The final form must be signed by you and be returned to your child's mentor by **Wednesday 1 February**.

We look forward to seeing you at the Options Evening.

Yours faithfully

Mrs M Marr
