

From Thursday 15 September 2011, Caludon Castle School, in association with Coventry Citizens Advice Bureau, will be offering a free valuable information service. We aim to give information on problems facing many people, such as debt, finance, benefits, housing, consumer, domestic, family and numerous other issues.

We run an appointment system for Thursday afternoons, 2.00pm - 4.00pm

There is also a drop in session on Friday mornings, 9.30am - 11.30am

Our Information assistants are Mrs Devine and Miss Barton and can be contacted by telephone on 024 7644 4822 or by e-mail: stbartona@caludoncastle.co.uk or stdevines@caludoncastle.co.uk

These sessions will be in our School and Community Library (next to school reception) which is open to the general public.
