

Caludon Careers Commitment

At Caludon Castle we provide a well planned Careers Education and Guidance Programme for all our students.

This is crucial in helping you make informed decisions about all your options for education, training and employment.

We want you to progress on to opportunities that you will enjoy and which will help to fulfil your potential.

Throughout your time in school you will be entitled to:

- Access to the on-site Connexions Resource Base.
- Impartial information, advice and guidance from your Connexions Personal Adviser.
- Opportunities to discuss your future plans with your personal mentor, your tutor and Learning Manager.
- A programme of Personal Development in Tutorial/Mentoring Time.
- An Individual Learning Plan which will be reviewed with your parents/carers and staff on Target Setting Days.
- A range of activities involving Business, Enterprise and Work Related Learning. This might include 'Aim Higher' visits and guest speakers from industry and local businesses and other organisations, including the Armed Forces.
- Work Experience for two weeks in Year 10.
- Work Insight or Work Placements in Year 12.
- On-line information/decision making packages including Fasttomato, Kudos, UCAS, SHINE, Route14-19.
- Regular opportunities to express your views about the help/information you receive.
