
Section B — Shorter writing task

Grub's up...

Spend about 30 minutes on this section.

A local restaurant is running a competition.

**Amore Pizzeria — for the love of good food...
Win a free meal for four!**

What's your favourite dish? Write and tell us all about it. The winning entry — the one that really makes our mouths water — will win a slap-up meal for four.

We want to hear all the juicy details:

- what your favourite dish is
- where you usually eat it
- ...and most importantly, why you love it so much!

Write your entry for the competition, describing your favourite dish.

(20 marks including 4 for spelling)
